

## **Website Testimonials**

First found this site in 1962 and 57 years later, it's still just as special. It was Leo and May Ross that owed it then. They came to our caravan plus other friends we made on the site for a drink and cake for my 21<sup>st</sup> Birthday. Now the 3<sup>rd</sup> generation of the same family run the site and they are just as friendly and helpful.

Our children grew up here and continue to be drawn back by it's Magic. Stepping out of the rat race, enjoying the beautiful views, local walks and tranquillity, only found at Coast Caravan Park. Thank you the Ross and Norrie families.

"For several years we searched for a static caravan site that was quiet and peaceful yet easily reached from the midlands, and did not consist of ranks of vans with no view, or views only of each other. In Coast Caravan Park we have found all this, and over 10 years and 2 caravans have enjoyed the hillside views across the Bristol Channel to Wales; the peace and quiet of the beautifully kept site, and the helpful owners, and can recommend it to anyone looking for similar without reservation.

Coast Caravan Park has been our 'go to' place for amazing sea views, interesting shipping, beautiful sunsets, nature all around, peace and relaxation for many, many years and we thoroughly recommend it.

" We were looking for a Static Holiday Home and were fortunate to stumble across Coast Caravan Park.

This is a quiet, friendly and attractive site and is very well maintained.

The caravans are situated on generous tiered pitches with a balcony and a small garden area. Each have a view across the Estuary towards Wales in the distance. The sunsets are amazing!

We are very pleased to have found such a pleasant place in which to spend our leisure time and can highly recommend this site."

We have owned a caravan on this site for nearly 4 years and would not want a caravan anywhere else! Andy and Maria maintain the park beautifully and are very friendly and helpful. The views are stunning and the caravan park always peaceful and such a relaxing place to be. We would be there every weekend if we could !

Sally and Tim

An oasis of peace and calm. Marvellous views, terrific sunsets, friendly and helpful site owners. As it is a non-letting park there is a real feeling of community among the caravan owners.

If you want bars, bingo and entertainment then go somewhere else. If you just want to sit and relax in peace and quiet, watching the local shipping then this is the place for you.

*We're in our 5th year of caravan ownership on the site now and we thoroughly enjoy spending time there with our dogs as often as we can. The views, the water and the sunsets are beautiful and it's a perfect place in which to relax and enjoy the peace and quiet. There are so many places to visit in the area - Sand Bay, Leigh Woods and, of course, Clevedon are some of our favourites and we're still finding new and interesting places to visit too.*

Coast Caravan Park is a well-managed and maintained site with friendly, helpful owners.

Close enough to the bustling coastal towns of Clevedon and Portishead for shopping and eating out, yet far enough away for the peace and tranquility of the countryside.

It is the ideal place for those who are looking for quiet relaxation. With wonderful views across the Severn estuary and beyond to Wales, stunning sunsets and easy access to coast path and woodland walks it has made the perfect holiday home for us.

My husband and I have been using our new caravan since August last year and we love the peace and quiet that we find when we come to the park. We have wonderful channel views and watching the vast variety of boats sail by is a favourite pastime of ours. Sunsets are amazing and when the weather is good it is like being abroad!

Coast Caravan Park is a friendly place and the owners are helpful, knowledgeable and experienced in the business.

The site itself is quiet but there is lots to see and do within a short drive and it is ideally placed for visiting Bristol, Bath, Weston-Super-Mare and many other areas of interest.

" If you have ever imagined yourself sitting on your own balcony taking in the sun (perhaps enjoying a glass of wine) whilst watching the ships passing by you can do no better than Coast Caravan Park.

We have been owners for 6 seasons and it has changed our lives completely. In that time we have not encountered any problems however any queries have been quickly answered by the owners who are always to hand and maintain the site to a high standard.

Each owner takes a particular pride in the appearance of their van which becomes a "home from home". You can make many new friends and become part of the community; the choice is yours.

The views are fabulous particularly at night when you can enjoy the wonderful sunsets.

All in all a tranquil and quiet haven where you can relax and stand back from the outside world.

We have been on Coast Caravan Park for around 7 years now and what a gem of a park it is, perfectly located for Clevedon, Portishead & Weston Super-Mare. A fantastic family owned & run park which is always maintained & presented to a high standard. With peaceful surroundings, stunning views of Wales, plenty of ships to watch up & down the Bristol Channel what's not to like, Andy & Maria are very friendly, always approachable & willing to help if needed. It's always a pleasure to return to the park for a nice relaxing break.

We discovered Coast Caravan Park 4 years ago. On our first visit it was dusk and as we stood at the top of the drive there was a fantastic sunset across the Estuary and we thought – this is the place we want to be. The Park is family owned and run by Andy and Maria who are very friendly and approachable and keep the Park very well maintained. We love our caravan and balcony which offer stunning views across the Severn Estuary to the South Wales coast and mountains beyond and that close by is the pretty Victorian town of Clevedon and the lively Marina in Portishead.

"Coast Caravan Park is like a home from home for us. The other caravan owners are friendly and very welcoming. Andy & Maria are so helpful and nothing is too much trouble. I can't think of a better place to sit and relax whilst watching the sun setting over the Welsh Hills".

We would recommend Coast Caravan Park to anyone having been here ourselves for twenty years. Both proprietors Andy & Maria are very friendly and very helpful people. The Park itself is in a very well appointed spot with panoramic views of the Severn Estuary. The Park itself is very well kept and if you want some peace and quiet in ideal surroundings this place for YOU.

"Owning a caravan holiday home at Coast Caravan Park, Clevedon, gives our family a lifestyle we really treasure. We can retreat to the coast and stay overnight, for the weekend or for longer holidays. The local area is full of beautiful and interesting places to visit and the location puts you close to the cities of Bath and Bristol and the beautiful beaches of Weston Super Mare and the South West. We really appreciate the personal care that is unique to a family owned and managed park. We can definitely recommend caravan holiday home ownership at Coast Caravan Park to anyone who wants an affordable holiday home, on a peaceful park, with beautiful views and surroundings and a wealth of things to do nearby."
